Guitarist looking to join or start an original project. I can play acoustic, electric, or bass guitar. I like a whole host of music (see below) and could see myself playing/writing/collaborating in/for any one or a combination of those types bands/groups. If you like any of the types of bands I like, hit me up. I have little to no interest in playing covers, unless this was to be a tribute band. I play & teach professionally already, so I'm not terribly interested in establishing a group for the purpose of making money. Mostly looking to network and find like-minded musicians who don't completely suck with the purpose of creating music of substance; recording and playing out live occasionally. I'm usually very busy, and live in town (Manoa area), but for the right enterprise, I will make the time.

Influenced by:

Metallica, Iron Maiden, Thrice, In Flames, Nightwish, X Japan, One Ok Rock, Paramore, Sum 41, Blink182, Rise Against, Silverstein, The Offspring, Flogging Molly, Children of Bodom, Megadeth, Slayer, As I Lay Dying, Killswitch Engage, Atreyu, Saosin, Taking Back Sunday, Daft Punk, Ratatat, Bruno Mars, Edguy, Steel Panther, Dragonforce, Sonata Arctica, Rhapsody of Fire, Guttermouth, Millencolin, Rodrigo y Gabriela, Eminem, Van Halen, Kamelot, After Forever, Hoobastank, Story of the Year, Lamb of God, Linkin Park, Me First and the Gimme Gimmes, Powerglove, The Black Mages, Red Hot Chili Peppers, Social Distortion, Shai Hulud, Yellowcard, Poison the Well, Yngwie Malmsteen, Stereopony, Mariah Carey, Tiesto, Avenged Sevenfold, Xzibit, Jay-Z, System of a Down, 3 Inches of Blood, Soulfly, Rush, Skid Row, Michael Buble, Epica, Cradle of Filth, Coheed and Cambria, Bullet for My Valentine, Blind Guardian, Chicago, Black Label Society, Alice in Chains, Buck Cherry, Nujabes, Bon Jovi, Rage Against the Machine, Mastodon, Ronnie James Dio, Rush, Shadows Fall, The Black Dahlia Murder, From Autumn to Ashes.

If you like any 2 of the above mentioned, we might have something to work from. If age matters, I'm.
