Looking For A Decendant Of G H Stearns, Grand Nephew Of John Hancock

Location **Massachusetts** https://www.genclassifieds.com/x-259140-z

I am searching for a descendant of G H Stearns, born in 1857.

Mr. Stearns apparently was a grand-nephew of Patriot John Hancock.

I have in my possession a lock of John Hancock's hair, the envelope that it was placed in, and that was given to him within the late 19th or early 20th century.

Because a lock of John Hancock's hair, and the provenance that goes along with it is extremely rare, I want to share it with a direct descendant of Mr. Stearns, the Hancock family.

If you can help, I will be, and I am certain that they/he/she will be very appreciative.

Thank.
