Hey there,

We're an alt. folk/indie/rock/soul project called Minor Moon. We've been playing around Cambridge and Somerville for the past few months, and we are now we are looking for a keyboardist/organ player who is a flexible and creative spirit and has lots of playing experience. We are looking to continue to play in Cambridge/Somerville/Boston area, and more!

Some major influences include Wilco, Blake Mills, Grizzly Bear, Van Morrison, Father John Misty, Damien Jurado, Talking Heads, Radiohead, Bon Iver, Fleet Foxes, Nick Drake, Neil Young, Bob Dylan, Gillian Welch, John Prine, Magnolia Electric Co., Jeff Buckley, Feist, Hiss Golden Messenger, Sam Amidon, Direty Projectors, lots more.

Our EP, which was recorded this past winter/spring at Phoenix Down Recording in Somerville, can be found at <https://minormoon.bandcamp.com/>.

Let me know if you're interested!

ps Multi-instrumentalists and other referrals are welcome--encouraged, even. Ability to sing harmonies a major plus (but not)!
