Visit [www.grdrumming.com](http://www.grdrumming.com) and download free lessons, tips, charts, transcriptions, play-alongs, and book samples.

Watch crazy drum videos while you're there.

The free materials are samples of a huge data base of books, transcriptions, play-alongs, and lessons that are for sale at a very low cost-high value ratio.

The book series is among the most comprehensive systems on the market. Sample and see for yourself.
