In home childcare with experienced stay at home mother. I have a two year old that would be here also during the day. We have two play rooms a big back yard for warm days, lots of toys, planned activities, nap time, lunch provided but diapers and milk must be provided by parent if needed. I know what it's like to take your kid to daycare so that's why I am here to make the experience easier for both child and parent. \$20 per day. Monday through Friday until 6pm. We have 2 declawed cats. Smoke free bug free clean home. We have adt security system at our home also for extra.
