

Looking for an Organized College Student (St Paul)

Location

Minnesota

<https://www.genclassifieds.com/x-259231-z>

I'm looking for a college student that is detail oriented and self directed. The job is part personal assistant, part writer/proofreader of legal documents and part chief organizer (maintaining my laundry and light cleaning) I know its a strange combination but this is what I need.

If you're interested please send me an email with resume or why you are the best candidate.
Also any questions you might have.
