Pay \$40.00 instead of the regular charge of \$115.00 for your marriage license. Premarital education "is associated with higher levels of marital satisfaction, lower levels of destructive conflicts and higher levels of interpersonal commitment to spouses," says the study, published this spring in the Journal of Family Psychology. Based on a random phone survey of 3,344 adults in four states, it says couples who received premarital education had a 31% lower chance of divorce.

There is a Minneapolis, Minnesota based company, A Breath of New Life Wedding Ceremony's and Premarital Classes, that offers a great alternative to the traditional premarital class options. An online, affordable, way to receive the benefits of premarital education and still have the ability to complete at home in private on your schedule. <http://www.ourweddingceremony.org>

-- Just complete the premarital class activities, send back the 2 verification pages and receive a notarized educators statement to turn into the state with your marriage license application.

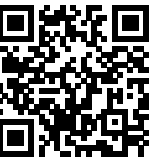

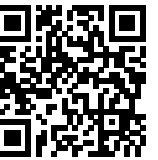

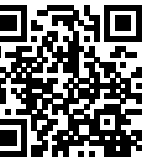

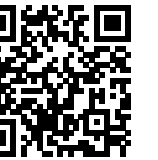

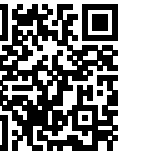

The state gives you a \$75.00 discount on the marriage application fee

Build a stronger relationship, by investing in your marriage not in the state.

Prices start @ \$50.00, giving you all the benefits of the course and still saving you \$75.00 on the marriage license fee! For more information
