Location

Minnesota<https://www.genclassifieds.com/x-259278-z>

Chanson Voice & Music Academy offers private singing, piano, guitar, drum and string lessons for children, age 8 and up, teens and adults. We specialize in teaching students of all ages with a great understanding of the individual vocal needs of any aged child, teen or adult.

Give the gift of voice and/or instrumental lessons to your child or loved one. They will learn to develop their natural abilities with skills and confidence that will last a lifetime. Make this worthwhile investment in your child or teen's musical and personal expression future.

Visit our website at www.chansonvoicestudios.com for more information and call us today to schedule an appointment!

With 15 years vocal training experience.. and an impressive professional resume, there are few vocal instructors around with the skills, experience, intuition, sensitivity, professionalism and the versatility that we possess here at Chanson Voice & Music Academy. We know how to work in all musical styles while building on the unique abilities of each student.

Call or write now to learn more! We will look forward to hearing from you soon!!!
