Gen Classification American Sable Rabbit needs a good home (North Palm Beach)

Location Florida https://www.genclassifieds.com/x-259307-z

Almost 2 year old bunny rabbit needs a loving home. My job is requiring me to do more traveling and can not spend as much time with her. She is litter trained and will come with her cage, play pen, food and toys. Please contact if you would like to give her a loving.
