Hey I'm 30 single female and looking for a young professional roommate for mid March to April as my lease is up in April and wanting to move to sw Omaha area. Looking for someone 25 or over preferably but could work with younger if we are on the same level. Prefer female young professional but will consider Guys as well. I have some places in mind and we could also look together just prefer a place sw omaha and pet friendly as I may want to get a pet. i have two jobs and pay bills on time and am clean and responsible and no 420 friendly but will have a drink or 2 occasionally. Text preferred but email to if interested and hopefully we can meet up and see if something could work out thanks
