

Two Ferrets with stuff (Eagan)

I have two ferrets both just under a year old. I also have a two tier critter/ferret nation cage.
 I'm looking for a good home for them because I sadly do not have the time for them anymore. They are super sweet and love playing around.

Something to know about them~

- They don't bite, but when running around playing they may gently nip at pants and toes.
- They come AS A PAIR
- They love giving kisses and playing

Looking to re-home them, re-home fee is 300. (The cage alone is almost that much)

Thank.
