I got 2 10 gallons with heaters, filters, hood, etc. also have a stand that fits both of the tanks. Only selling it because I got too many tanks to clean every week and getting tired of keeping fish so it's still in great condition but the stand is in good condition because some parts of the black coating on the stand that came off, so if you bought it you just need to re-paint it, but the stand is great been using it for 3-4 yrs no problem at all. The 2 fish tanks and the fish tank stand for \$90 only. Pick up only, also cash.
