

# More than 200 oz (Coon Rapids)

Location **Minnesota**  
<https://www.genclassifieds.com/x-259491-z>

My girlfriend and I are trying to sell her frozen breastmilk.  
 We have a freezer full of bags  
 Over 200 ounces of milk  
 Selling it at 2 dollars per ounce but price can be negotiated

We would really like to help some moms out there that struggle with producing or dont want to produce but wants their child to have the benefits of breast.
