 Title: Single Family House
 1500 sq ft on 1/2 acre. New tile floors throughout. Steps away from bus stop beach and shopping. Beach is uncrowded with good fishing. Nice view of ocean and great snorkeling with turtles. Shopping head up in front of you. Open and vacant land on all sides of property. The back yard has a lot of cars and common area parking is full of old cars and no one takes care of the yard. It is an older home in town but updated inside. Price reflects property. Neighbors all the same Hawaiian family that's been there for years everyone looks after everyone. A very safe area and location. Small unit suitable for a couple.
