Just remember while you are looking for a vacation spot that over 240+ guests in our other 3 condos can't be wrong! You pay all that money for airfare but please don't ruin your vacation by staying in a dump to save a nickel... We've done it in the past and regretted it! Look at the reviews and spend a little more per night for peace of mind and also look at our low \$75 cleaning fee! We want you to have a blast in Kona (we do!) Don't forget to look at our other condos here in downtown Kona listed on AirBNB! They may have the dates you need or you can stay in both! The other two sleep four but have smaller kitchens.

Our Purpose In Owning And Renting Out This Little Home Away From Home Is To Allow Folks To Enjoy Our Island As We Do Today. We Too Have Made Many Vacation Trips To The Islands Not Long Ago And Were Many Times Unpleasantly Surprised By Dumpy, Dirty Accommodations That Negatively Affected Our Vacation. This Little Gem Will Never Disappoint You! It Hasn't Let Anyone Down In Over 2 years With Over 500 Guests! We Have Over 240 Positive Reviews on our other two Condos And Not One Of Them Has Been Edited Or Deleted! NON-SMOKING IN THIS ROOM OR ON THE LANAI (this should be important to you if you don't smoke) But if you do smoke, you can smoke out by the PARKING AREA. Easy Check-In And Out (Because We Live On Island) Although we would love to meet every guest in person, there is a good chance you will not meet us in person. There is no need to since the room has a door key IN THE LOCKBOX and we don't need to collect any money from you thanks to AirBNB... We have busy lives here in Kona so we can't give you a personal tour but you will find a guide book in the room for our favorite spots and you are always welcome to call, text, email or message us for suggestions.
