Please be reminded that this is VIRGIN HAIR. Which means that this hair has never been processed. IT DOES NOT COME IN COLORS!! You must color it, cut ends, cut to style to match your hair. Hair comes in whatever color it comes off the donor. We try to keep color similar to dark or medium brown. If you are buying textured hair, i.e. wavy, curly, etc. the length is based on the hair stretched out. The texture will shorten the length an inch or two. If you are trying to match hair you already have, please note that the hair is different donor to donor. It is cut off the donor as a ponytail then sewn onto the weft with cuticles intact to prevent tangling and shedding. There might be variations from bundle to bundle. When buying 2-3 bundles we will try to ensure that you receive hair from the same donor or match as close as possible.
