we have a very cool 3 step program that we're selling to potential clients (Startups and establish businesses). It's all about getting them ready and help them get financing for their businesses. We are looking for video bloggers that will rule the online waves by conducting 2 Webinar's per week for our potential clients. Be part of our team as affiliates by promoting our brand online!

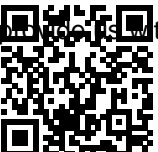

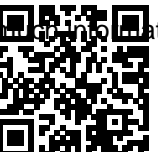

Key qualifications:

- Very comfortable on camera.
- Must have access to a webcam for the videos
- Very good personal skills
- Clear language and presentation skills
- Ability to stick to a schedule of 2 hours per week (one hour twice a week)
- Long term commitment

You get to make great commissions on all the sales we get thanks to your videos (\$250 per sale).

How often will I get paid?

We pay weekly (Every Fridays) via PayPal. This is the fastest and most reliable way to ensure that everyone gets paid on time every time.
