

## 2 male ferrets need loving home

Location **Illinois** https://www.genclassifieds.com/x-259646-z

in distriction

I have 2 male ferrets I am no longer able to care for. I love them very much and want to make sure their next home will be forever. They're lovely boys. They must stay together and go to a home that has a lot of experience with ferrets. One does have poor manners and bite when he plays. So they have to go to someone who is patient and willing to work with him on correcting the issue properly. They will not come with a cage, and there will be a rehoming fee. Please text me with any questions. 847 2nine3 five one
