*I'm not a breeder, I will not place animals I rescue with breeder.
 If you flag my post I will only re-do it and some animal in need may miss out on a good home.
 I FIND HOMES FOR ANIMAL WHO ARE IN NEED!*

The Shirley Austin, Elizabeth Dalon memorial Exotic Animal Rescue and Placement.

is now accepting all donations. We take in all reptiles, torts, turtles and exotics legal to the state on Mississippi. We also take in any equipment that you may have lying around your garage collecting dust. We do not ask for any money to take your animal. We understand times are hard and sometimes we have to make sacrifices. All of our animals are taken to the vet if they are sick when we get them. We have many different groups and exotic pet owners that help find forever homes for all the animals. So, If you have a animal that you can no longer take care of do to size, health, money issues or whatever reason, we are here to help. We will pick up from you.

Thank You,
 Exotic Animal Rescue Placement

*The photos posted are just some of the animal that have been rescued and have been placed.

*I do charge a re-home fee on animals rescued here on the coast. Rescues from out side the state may be more, this is to cover gas used in the pick up, placement and check back some time in the 30 days between placement and final adoption. we like it if the pet has seen the vet in this time. If your interested in being put on a waiting list for a pet you can request an application , just put Application in subj box.

At this time I have 2 M-Robo's
 4 gerbils
