I need to rehome a sweet lab today. She is a very sweet dog. But our circumstances have changed in our home. We have extra kids living with us and both my husband and I work full time jobs and we just can't stand having her locked up in a kennel all day everyday. We haven't had her long at all. She is about 16 weeks old. Sandy color with white. She is very sweet. We haven't gotten her fixed yet. There is a rehoming fee. Small fee just to insure she goes to a good home. We will provide a kennel for her if you need it. Please contact me soon. I would hate to take her to the shelter if someone can give her the love and attention she deserves. I can send photos for some reason I can't post any. Bad.
