Male roommate wanted!

Room available February 02, 2015. I am a 20 year old male looking for a male roommate who is independent. I am very low key and do not ask much. I spend most of my time in my room. I own a cat, but that is the only animal we can have. There is one full bath, one half bath. Full kitchen, living room, and a bedroom with a queen size bed and two nightstands (if needed). There is a small, fenced yard. One parking space at the townhouse with free, additional parking within 500 yards. Rent is \$475 a month including all utilities (power, water, satellite tv, internet). There is a washer and dryer in the unit, right next to the rooms. The townhouse is located off of Linden Street, within walking distance of White Pine Elementary School (really only a block or so away). If you are interested or have an questions, please text me. I am going to need to interview you before any agreements are made, so please contact me sooner than later.

Add will be taken down when a roommate is!
