We are a video production company seeking to cast non-speaking extra's for a video we are producing that will be hosted online. Shoot date is February 4th -- please only respond if you are available and flexible 2/4. We will film you at our in-house studio in the Loop against a black backdrop. Wardrobe will vary according to person. We need to see headshots of children, teens, and adults -- anything other than Caucasians and African Americans as we received plenty already :)

Pay is \$50 and you won't be here longer than an hour. If interested, please email a headshot, full body shot, and height via craigslist. Subject line must read "Extras Casting 2/4"

**If you responded to our original post, you don't have to respond again. We are waiting til we have all headshots in to contact our extras. Thank!
