Come enjoy this totally remodeled 3 bed 2 bath 1323 sqft. custom home 3 blocks from historical downtown Ennis. It has been totally stripped down to the studs and has brand-new everything. 2 master suites, one on the main floor and one downstairs. It has a beautiful open floor plan and a state of the art kitchen with all stainless steel appliances. Nothing has been overlooked on this home and attention to detail has been the mission statement since the beginning. New U/G sprinklers and sod just put in along with an additional parking space in the back! Huge deck off the back, perfect for entertaining and just soaking in the beautiful views. Also, gutters installed over front porch and back deck. Stackable washer and dryer just put in as well. Would be a perfect vacation home for the avid hunter or fisherman. Ennis is truly what Montana is all about with fishing, hunting, hiking, and site seeing just out your back door. Famous Virginia City is just 15 miles away as!
