

x002491051 3br (16002 USD)

Location **Montana**  
<https://www.genclassifieds.com/x-259934-z>

**Overview:**

This home might just have the layout you've been looking for. Host dinner guests in the dining room, or enjoy casual family breakfasts at the built-in bartop seating between the kitchen and the living room. Three bedrooms, den, and a family room as big as all outdoors. Plus the wide-open design makes this total package a home concept with room for your family to move grow and relax. You can upgrade the 4' concrete foundation to 8' basement walls for only \$8,224.00.

**Flexibility:**

The price quoted includes a 4' concrete foundation, standard specifications and is built to your states IRC Codes. Call or email us for a site specific quote on delivery and set-up cost. Our building crews perform work on homes to be set in 5 neighboring states. RusTek Builders will assist the do-it-yourself homeowner with as much or as little building services they feel they need as well as performing all building services for the homeowner requesting a turn-key project. Simply email us your request and we will personalize a scope of work estimate.

**Availability:**

For your conveniences, RusTek Builders model home and design center is open daily. We offer hundreds of home plans, custom options and upgrades for maximum flexibility and style. We invite you to stop in at 5231 134th Ave. NW in Williston, North Dakota or schedule a private showing with our sales department.
