Brand New Regina Wellness Pasta machine

Retail: \$89.99+ TAX

Total retail: Around \$99.00

-Purchased: Williams Sonoma (sold in stores)

-Received gift cards from my bridal shower however I have not had a chance to use the machine. Too much stuff from our wedding in this small NYC apartment. Nothing wrong with it, I don't have space and have not had a chance to use it.

About the Machine:

The Regina Atlas is a manual machine for making pasta by extrusion. Comes complete with five

interchangeable dies for producing Rigatoni, Maccheroni, Maccheroncini, Bucatini and Fusilli. The machine is made entirely of plastic for the extruder, the cooling tank and the drying ramp are made of polished steel. The hopper is of proof plastic. The five dies are made of plastic or of brass and are interchangeable. The size of the extruder is 100 mm x 5 x 5 mm. Made in Italy.
