

Flat File Flat Files Cabinet (,, USD)

Location **New York**
<https://www.genclassifieds.com/x-260098-z>

Flat file / flat files for sale

(NOTE: not all cabinets shown in photos are still available, email for current inventory)

Also known as map / architect / blueprint cabinets.

Great for storing maps, posters, artwork, blueprints, or any other paper document you want to store flat.

Many people use these as a coffee table because it has a flat top and plenty of storage.

All standard sizes: approx exterior size of 40x29 (for 36x24 documents), 47x35 (for 42x30 documents), 53x41 (for 48x36 documents).

Prices start at \$350 for a 5-drawer cabinet.

All brands: Safco, Stacor, Mayline, Cole, etc.

Some modern and some vintage.

Mostly metal, some wood cabinets too.

Email to view.

We can also recommend an excellent, reasonably priced mover if delivery is needed.

Search terms: architect art artist blueprint photo artwork drawings paintings map maps poster posters
