

## **Facts since 911**

Location North Carolina

https://www.genclassifieds.com/x-260100-z

Foreign inspired Terrorism has claimed 24 lives in the United States of America. In the same time period, 100,000 have been claimed by Gun Homicides, 400,000 in Motor Vehicle Accidents, and 100,000 die each year from avoidable Medical Errors.

The Military Industrial Complex in the Government and Media is really pulling the wool over your eyes while sucking the Blood and Treasure out of our country!
