Hi! My name Hope. My foster mom gave me this name because I am full of hope for a bright future. My first people weren't very good to me. They brought me to the shelter when my leg got broken and my collar was embedded into my neck, so they didn't pay much attention to me when I was a little puppy. I was only 4 months old and I already had all these injuries.

But I love people, so I have always wanted to be nice and please my people. My foster family is wonderful and they have taken me to the vet to make my leg all better. I had to spend a lot of time in my crate over the last month so that my leg could heal up. And my neck is all healed too.

And now I'm ready to find my furever home. I am 25 lbs now and my foster mom thinks I will be about 40 lbs when full grown. I'm not sure what breed I am.... people have lots of guesses.... maybe hound, or pointer and probably some pit bull. But I'm 100% sweet girl, and I love everyone!

My foster family has taught me how to sit for a treat and how to wait when my dinner is served. My foster mom gets so excited when I potty outside, so that's where I go all the time. She says I'm a really good potty-er.

I also have three doggie sisters and I love to play with them. And I live with three kitties, and I like them too. When I go to adoption events, sometimes little people come to see me, and they are pretty fun! I can reach their faces pretty easy and I love to give them kisses!

If you are interested in adopting me, please go to my rescue website to fill out an application at www.LoveMuttsRescue.org
