

Experienced Auto mechanic seeks side work (Lewiston)

Location

Maine

<https://www.genclassifieds.com/x-260127-z>

30-plus year experience auto mechanic seeks side work from my home. I do everything,... brakes, steering, suspension, electrical,... tune-ups to engine and/or transmission swaps. Body work for inspections, etc. Have many good references if necessary. I charge flat rate, and VERY reasonable. I don't choose to charge hourly. Flat rate usually saves the customer money. All repairs guaranteed. Labor guarantee as well. No surprises. Nothing extra done without consulting vehicle owner. SATISFACTION GUARANTEED! Text or Email is best, as when I'm busy I don't answer my phone. Voicemail doesn't work on my phone either for some reason. I live in Lewiston. Possible barter for all or part of labor also. I know times are tough.
