 Paul Randall Sr cell text me first to speed up estimates , send name address and job needed

 I will install a new gas boiler in your home remove the old oil tank (free) you buy the boiler thru the gas company program and receive a rebate from them and maybe an extra 1500 dollars from the state for installing a high efficiency boiler in your home
 I have been installing boilers for over 30 years , licensed at 19
 I live in Everett the city I was born and raised in
 my cell number is Paul Randall Sr
 I will give you a free estimate and type it up , most times it will be emailed to you the same day
 the gas co program stops Oct 30 2014 , I'm sure they will have other programs but now you can save 2100 dollars on a Burnham Alpine boiler (check the reviews on them) 600 from Keyspan and 1500 from Mass save then another 1000 to 2000 I will save you compared to other companies in the area
 and u save 300 on tank removal , I will let you buy the boiler online at my cost if you want and pay for it by credit card , for that matter you can charge the whole job on your American Express Card and earn reward points ,
