I got this dog for my niece but she's just too much for her to handle due to schoolwork and can't give her the attention she needs. She's 3 months old terrier named princes. She is very loveable and good with other cats and dogs. She has had her first shots. She is not housetrained or fixed. I'm only asking a small rehoming fee of \$50 which is what I paid. She comes with a few toys, bed, and dog food. I have been working with her on her potty training because I keep her inside. She is only tied up in the pics because she has lots of energy and won't sit still for a pic lol. Call or text Jorge at
