Silver 2001 Honda Civic EX 5 speed manual transmission. Well maintained, clean car in good condition. This car has been the most reliable car I've ever owned! Timing belt and water pump done per schedule and oil changes every 3K along with other fluids since I've owned it in 2004. New battery, new 60K all weather tires and a set of studded snow tires with wheels included. Aftermarket speakers give the radio and CD excellent sound quality. All recalls on this car have been fixed as well. 38 mpg easy and 181.7K miles and many more to!
