East Rochester is on the state border, I am only 3 miles from Lebanon & 4 miles from Berwick.

My wife got this for me three years ago, and I've only ever worn it one time (twice if you count modeling it for these photos).

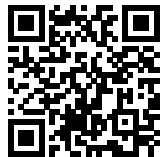

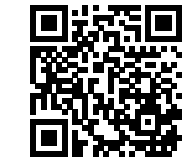

My only problem with it is I'm a six-footer & had lumbar surgery so I need to wear longer coats.

Waist-length jackets don't to cover my lower back when I'm bending.

It's been on hanger in back end of closet for 3 years, no smokers in home & no pets, so it's in pristine condition, without a mark on it.

Being reversible, it doesn't have a size tag, but it's XL...
I'm 6 ft & 210 lbs, so you can judge by that whether or not it'll fit.

It's mega-warm goose down, and it cost us in the neighborhood of \$150 (do a web search for "Bear Mountain goose down" & see)...
\$40 is a great price to stay plenty.
