I'm looking for pretty female feet. It's real simple. You come over, take off your shoes, I kiss and smell your feet for 30 minutes, 100 roses. Then you leave. No boyfriends, husbands, or thugs hanging around in my driveway or in the car you came in (I have neighbors who keep a look out). That's it! Real simple, easy money. MUST send a picture of your feet and they better be well taken care of. Look at these photos as a reference. I don't entertain ladies with ugly, unkempt feet. Please don't waste my time or yours.

If your shy bring a girlfriend, i can come to you if you are able to host
