Hello.

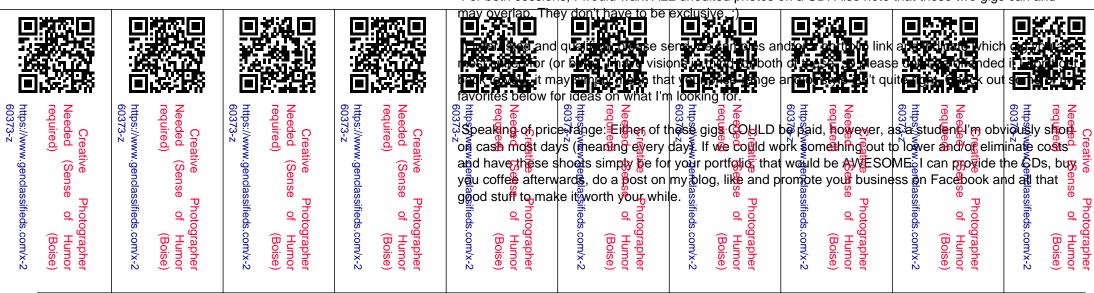

In my last year of school, I'm looking to do two things:

1. Do a "BFF-style" photoshoot with my bestie. This is where the sense of humor comes in, though; because my bestie is my musical instrument.

Crazy, right? But as a musician, I had this random concept that perhaps I could document my passion for music while also being slightly ironic and poking a tad bit of fun at the typical engagement or stock-photo shoot. Ideal candidate would be well-versed in a variety of photography styles, be intrigued by my concept, and quite possibly a fan of 9gag-esque humor. This may or may not involve hopping a few fences just to get some interesting shots. Are your creative juices flowing? Good.

2. Do a "normal" senior photoshoot every month through graduation. This is a stressful time for me, but as the seasons continue to change and lead me up to that big day, I would love to capture it in some way, including having you present the day of graduation so I can get a few professional quality photos in my gown. This gig would require a style that is very wispy, soft, and natural-light based. Quite opposite the gig above. (Note: I'm actually crazy camera-shy. You'll have to bear with me.)

For both sessions, I would want ALL unedited photos on a CD. Also note that these two gigs can and

Hit me up! I'm super stoked! I think this will be a great experience for both of us. :) Replies without samples will not get a response. Preference will be given to anyone who might be able to assist with hair and makeup!
