We will try this again. PLEASE READ CAREFULLY BELOW.

We are looking for a construction cleanup subcontractor to use as our primary vendor for our residential homes. We are needing a cleaning crew to come in and do the full interior detailed cleaning as well as windows washed inside and out and pressure washing of garage, driveway and back patio. Please email me your price per square foot for the services needed above. We are looking to break up the cleaning into 3 stages. A pre-clean, a second clean and a quick final. YOU WILL NOT BE CALLED IF WE DONT HAVE THIS INFO.

Please read above and give us a price for the services mentioned above. We will only call back those we feel would benefit our company. Please be specific as to what your price includes & how long you have been in business. YOU MUST BE FULLY INSURED AND LICENSED.

We are a quality home builder and take great pride in the homes we build, therefore we only hire the best subcontractors in there respective fields. We are always building and have work steadily available.

Thank.
