

Subaru impreza problem.. (somersworth nh)

Location **New Hampshire**
<https://www.genclassifieds.com/x-260418-z>

I got my oil changed at a local shop and they put the wrong amount of oil in my engine destroying it entirely.. they will not help me in my cause. I'm looking for anyone to help me with my cause. I don't expect anyone to donate to be honest. but if you could share my page with anyone you can I would greatly appreciate it. thank you for you time in reading this Mr Williams. <http://www.gofundme.com>
