

# CPR First Aid certificated babysitter . Stay at home daycare setting

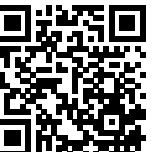

Location **New Jersey**  
<https://www.genclassifieds.com/x-260443-z>

Hello, my name is Elizabeth. I have been a stay at home mom as well as a lead toddler and preschool teacher for a daycare setting for 3 years. I am CPR and First Aid certificated. I have experience with children newborn to pre-K age. My daughter is 4. She is the center of my life . I have an art degree. I have done children's books and wall murals in two daycares. I've done daily goals in a daycare setting as well as circle time to crafts based on weekly themes to classroom boards. What inspired me to work with children was my daughter - to see the joy of her growing right in front of me. My daughter has inspired me to want to teach other children. The drive I have to teach is the love that children give each and every day. I am a very clean person and so is my home. I want to open my home to children to have a safe place to go and learn.

Looking to babysit 1-2 children a week.  
 Price - \$ 380 a week ( per child) multiple child price can be discussed .  
 Will have a daycare setting .  
 Circle time / reading / crafts / free time / snack and lunch time / naps  
 Lunches and snack will need to be brought with child (daily) do to allergies ( if child has one)  
 Some snacks will be provided if child doesn't not have any .

Please feel free to contact me.  
 Looking to start.
