Baxter is a stunning boy is 2 yrs old. He has plenty of character, charm and lots of good energy! Baxter enjoys and needs exercise. . Baxter seems to be a PLAYBOY and really enjoys the lady doggies. Baxter can get his game on with fun and playtime if his eye catches a squirrel he can become very focused and fixated wanting to chase them. He knows basic commands. But we know this boy will catch on because he is very smart! Baxter is a very loyal dog wanting to be right by your side ! He is very gentle, and takes treats nicely too and gives the sweetest kisses! He is good with children who are older. .He is UTD on shots, micro chipped, neutered, crate trained and house trained. Baxter is presently in boarding and would greatly benefit being in a home setting!

If you would like to welcome him as a forever pet or can foster him please fill out an application with us here:
