Our Rescue group VIPRSQ needs foster homes now! We are licensed by the Missouri Dept. of Agriculture and also have our 501c3 status. All of our current foster homes are full and we are looking for a few more to help out our rescue. If you would be interested in fostering and providing a home for an animal in need, please contact Kathleen at

Fostering is a rewarding experience and provides a chance for these precious babies to live in a home until such time as they become adopted into their forever homes. We provide all vetting for each of our.
