Free red

Location **Missouri** https://www.genclassifieds.com/x-260504-z

I have a beautiful African red-sided skink, free to a good home.

Mine is full grown, only about 8 inches in length. They are easy to care for, mostly active during the day, a great choice for one with not much space.

I also have a reptile tank for \$10 if you need one.

Text or email to arrange pick up.
