These babies are 10 weeks old and anxiously awaiting their new homes. They have asked us to find them loving, active families who are ready for some serious puppy kisses. Dixie (dark face) is the runt and would love a lap to cuddle in. Meadow (black and white) is the intelligent leader type. Honey (white with brown spots and blue eyes) is eager to find fun anywhere she can.

Available for adoption through Vet Pet Rescue (www.vet-petrescue.com), the adoption fee includes spay/neuter, microchip, vaccinations to date, updated preventative for fleas/ticks/earmites.
