when we couldn't be home right away,
my mother could walk a bit, but couldn't lift legs back into bed
so my mom needed a place to be safe,
where she could easily recline back and nap while waiting for us.
this chair also lifts the person up.

no smoking house, with a cat
COVERED THE WHOLE TIME
this was only used for a short time
and then she went in nursing home
see link for dimensions, this accommodates a larger person up to 375 lbs
