Hi, I'm looking to rent my two bedroom one bath apartment. I'm currently leasing this apartment and you would have to fill out an application with \$30 processing fee to the management company. Upon your approval you would take over my lease that is done the end of April, at that time you could renew if you want to. I would also want \$200 to reimburse my security deposit that you would get at the end of your lease. Enough with that stuff, the apartment has two bedrooms with closets, one bedroom is pretty good sized and the other one a little smaller. There is a coin operated washer and dryer on premises, and the management company takes care of plowing, trash removal, etc.. Heat, hot water and electric is included in the cost of the.
