Here is a piece of New Hampshire history. This was Governor Tuttle's mansion. Governor Tuttle was the 52nd or 43rd governor of NH depending if you count the colonial governors. This Victorian is over 6500 sq ft retaining most of its original features, yet the owners have tastefully updated all the mechanicals and day to day living spaces. There is a pool, landscaped yard, 3 car garage, freight elevator and, well I could go on and on. Offered at \$340k, that's \$63k less than assessed value! Give me a call to set up a private showing
