We are a Group Family Daycare near the Marble Hill section of the Bronx dedicated to preparing toddlers for school. Our program offers a preschool curriculum with a flexible schedule at a reasonable price. We assist with potty training and take children from the ages of 8 months to 12 years old.

All staff is fingerprinted and background checked and required to take a Health & Safety course. All staff is college education and has many years of experience caring for children. The director was a preschool teacher at a private school and follows a very similar curriculum at the daycare.
