

Sweet Puppy

Location **Nebraska**
<https://www.genclassifieds.com/x-260710-z>

This adorable guy is for adoption at Fairview Veterinary Clinic in Lexington. He came to us as a stray so we are unsure of what he is mixed with - probably husky and possibly some shepherd in him. He is about 4 months old and will be neutered and vaccinated before going to his new home. Please call if you are interested, adoption fee.
