Hi there!

I am a Fashion/Glamour photographer located in F/M area. I am looking for models to do some glamour shoots. I aspire to produce images that are works of art. So, I love to work with models that want to create something special and memorable. You must be 18 years of age with proof of age with a government issued ID. Paid or TFP will be determined depending on your experience. You must sign a model release for use of the photos in my portfolio. You will receive edited digital images from the shoot in a CD.

If you are in the phase of building your portfolio or would like to add more pictures to your portfolio please contact me via email and I would love to collaborate with you. If possible please send me a link to your portfolio or a couple of images to determine if you meet the shoot criteria.

Thank you!
