

Help Drive Cars from Auction to my lot (Oxford, NC)

Location **North Carolina**

Hi,

I own a dealership in Oxford, NC and need to hire some drivers to help me pick up some cars from auctions. The auction I attend is at Kenly, NC and some around Raleigh.

If we buy car from Kenly, we'll be picking those up on Tuesday and I will pay you \$35 for your time. This should take around 3.5 hours. I will pay for gas.

For the rest of the smaller auctions around Raleigh, I will pay you \$20 for your time. This should take around 2 hours. I will pay for gas.

If this is something you would like to do, we will need to perform a background check and a driving record check for our files.

We will also need you to give us at least 2 references.
