

Custom 2 x 4 Glass enclosure for large snakes or lizards

Location

Ohio

<https://www.genclassifieds.com/x-260808-z>

I have this custom made glass enclosure with screened top available. It's 48 x 24 x 17 tall. It has sliding tempered glass doors & built in damn to keep substrate inside. Has heavy duty screen top with locking clips. This cost well over \$200.00 to have custom made. \$100.00 might trade for boas, pythons or monitors might be open to other.
